

1st Announcement and call for abstracts

Second International Conference

European Society for Molecular Imaging

June 14-15, 2007
Naples - Italy

Royal-Continental Hotel Convention Center
Via Partenope - 38/44

Deadline for abstract submission March 15, 2007

Additional information is available on the conference website
www.esminapoli.org

European Molecular
Imaging Laboratories (EMIL)
European Network of Excellence

Diagnostic Molecular Imaging
(DIMI)
European Network of Excellence

Dipartimento di Scienze Biomorfologiche
e Funzionali Università degli Studi di Napoli
"Federico II"

Istituto di Biostrutture
e Bioimmagini
Consiglio Nazionale delle Ricerche

The Sixth
Framework Programme
of European Commission

Second International
Conference

European Society for Molecular Imaging

June 14-15, 2007
Naples - Italy

Honorary Chairman: M. Salvatore
Congress Chairman: B. Tavitian
Congress Co-Chairpersons: S. Del Vecchio and A. Jacobs

Scientific Committee

S. Aime	(Turin)
A. Brunetti	(Naples)
J. Clark	(Cambridge)
U. Haberkorn	(Heidelberg)
A. Jacobs	(Cologne)
G. Knudsen	(Copenhagen)
C. Lowik	(Leyden)
H. Maecke	(Basel)
C. Moonen	(Bordeaux)
S. Pappatà	(Naples)
A. Planas	(Barcelona)
J. Ripoll	(Heraklion)
M. Schwaiger	(Munich)
A. Syrota	(Orsay)
A. Van der Linden	(Antwerp)
A. Winkeler	(Cologne)

Topics

- Molecular basis of cancer, cardiovascular diseases and neurological disorders
- Identification of new molecular targets for imaging
- Design and development of novel imaging probes
- Technical advancements in small animal imaging devices
- Advances in PET imaging
- Advances in MRI technology
- Advances in optical technologies
- Advances in ultrasound biomicroscopy and microCT
- Imaging for drug development
- Multimodal imaging instrumentations
- Clinical applications of new technology and tracers
- Experimental imaging in oncology
- Experimental imaging in neurology
- Experimental imaging in cardiology
- Experimental imaging of metabolic diseases
- Experimental imaging of infection and inflammation
