

WORKSHOP AGENDA, BRUSSELS 10/01/2018

“SPACED: Using Earth Observations to Protect Natural Landscapes ” Workshop

Location: Espai Catalunya Europa. Rue de la Loi / Wetstraat, 227, 1040 Brussels (ground floor).

How to get there? Metro Schuman (lines 1 and 5); Buses: 12, 21, 22, 28, 36 and 80; Train Schuman rail station; De Lijn 334, 345; Villo

Time	Entity	Topic	Speaker
9.00 – 9.20	ECOP/ CREAF	Registration	
9.20 – 9.40	ECOP	Overview of ECOPotential: Changes in Protected Areas	<i>Antonello Provenzale</i>
<i>General views on the use of Remote Sensing to protect ecosystems and landscapes</i>			
9.40 – 10.00	ECOP	Remote Sensing in ECOPotential	<i>Joan Masó</i>
10.00 – 10.20	GEO	SDGs related to EO	<i>Douglas Cripe</i>
10.20 – 10.40	EC	Introduction to EuroGEOSS	<i>Gilles Ollier</i>
10.40 - 11.00		Coffee Break	
<i>How EU projects and infrastructure use or would like to use Remote Sensing</i>			
11.00-11.20	ILTER	The eLTER Infrastructure	<i>Michael Mirtl</i>
11.20 - 11.40	Life Watch	Biodiversity and ecosystem e-science: the LifeWatch infrastructure	<i>Alberto Basset</i>
11.40 - 12.00	GEO BON	EBVs from space	<i>Laetitia Navarro</i>
12.00 - 12.20	SWOS	The SWOS experience	<i>Kathrin Weise</i>
12.20 - 12.40	EPOS	A new challenge: Volcanic supersites as total environmental observatories	<i>Giuseppe Puglisi</i>
12.40 - 14.40		visit to the ECOPotential photo exhibition “SPACED” at the EU Parliament and buffet lunch	<i>Buffet/Catering</i>
<i>Results from the ECOPotential project</i>			
14.40 – 15.00	ECOP	From the map browser to multi-source data integration for ecosystem monitoring	<i>Palma Blonda Cristina Domingo</i>
15.00 – 15.20	ECOP	Ecological Informatics to face biodiversity estimate from remote sensing	<i>Duccio Rocchini</i>
15.20 – 15.40	ECOP	Challenges in observing the coastal ecosystems	<i>Ghada El Serafy</i>
15.40 - 16.00	ECOP	Challenges in observing mountain ecosystems	<i>Claudia Notarnicola</i>
<i>Final general discussion on Remote Sensing for protecting ecosystems and the environment</i>			
16.00 - 17.20	ALL	Open discussion (moderator: Carl Beierkuhnlein)	<i>All</i>
17.20-17.30	ECOP	Final remarks	<i>Antonello Provenzale Joan Masó</i>

Organised by the H2020 project ECOPotential - www.ecopotential-project.eu
